

# 7' x 7' Commercial Fielder Net

**CAUTION: THE CUT ENDS OF PIPE MAY HAVE SHARP EDGES**

1. The legs are attached to the bottom of the frame with the carriage head bolts enclosed.
2. Each piece is unique. The frame fits together, as per the diagram, with the flared ends pointing towards the bottom of the frame. Slip the flared end over the pin where the hole in the flared end matches the pin.

**QTY: HARDWARE**

4	5/16 NUTS
4	5/16 BOLTS
4	5/16 LOCK WASHERS
